Dear Mr. Avella:

On June 27, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your July 5, 2001, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule 112 indicates the allocation ratio for the October 11 Victory Dinner fundraising event was revised during the reporting period. **Please provide the date of the fundraising program or event.** In the case of a telemarketing or direct mail campaign, the "date" is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed. 11 CFR §106.5(f)(2) In the event that an excessive non-federal transfer was received, the excessive amount should be transferred back to your non-federal account.

An adequate response must be received at the Commission by August 8, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response

submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
